KLAIPĖDA CHAMBER OF COMMERCE, INDUSTRY AND CRAFTS

KLAIPĖDA CHAMBER OF COMMERCE, INDUSTRY AND CRAFTS

The Chambers of Commerce, Industry, and Crafts of Lithuania are non-state, non-profit self-governing entrepreneurial organizations that effectively participate in the international system of chambers of industry and commerce.

The Klaipėda Chamber consolidates more than 240 members among which are the biggest companies of the region and representatives of small and medium-sized businesses.

All of these companies in this export catalogue are looking for new business opportunities, partners, suppliers or distributors. Sectors: business advisory, consulting and projects; food production; metal works; publishing and printing; tourism and hotels; transport and logistics and others.

Advantages of Klaipėda region:

- ◉ Transport corridors connecting Klaipėda with Eastern and Western countries;
- ◉ (9th transport corridor) - strategic gateway to Europe!
- ◉ Ice-free seaport - top EU port in the Baltic sea for shipment handling volume;
- ◉ Free Economic Zone - 1st and the most successful FEZ in the Baltics;
- ◉ Developed tourism infrastructure.

JSC “MK LAIVYBA” OFFERS SUPPLIES OF SUSTAINABLE BIOMASS (WOOD PELLETS, WOOD CHIPS)

JSC „MK LAIVYBA“ was established 1991 in Klaipėda, Lithuania as a logistics company. Since 2005 we act as a wholesale supplier of wood pellets and wood chips for major European power plants and district heating plants. We offer industrial wood pellets (FSC, SBP) and premium quality 6 mm pellets. We ship biomass from the main Baltic ports in 3000-5000 ton lots.

JSC “NEO GROUP” IS ONE OF THE LARGEST PRODUCERS OF POLYETHENE TEREPHTHALATE (PET) RESIN IN EUROPE

UAB NEO GROUP is one of the largest producers of polyethene terephthalate (PET) resin in Europe, located near the Klaipėda Seaport. It started its activities in Lithuania in 2004 and still is the largest greenfield investment in Lithuania. Currently, the factory produces over 450 thousand tonnes of PET granules annually, corresponding to 14% of total European production of PET resins for food and beverage packaging.
