A nighttime photograph of a city skyline, likely Jakarta, Indonesia. The image shows several tall skyscrapers with their windows and balconies illuminated with warm yellow and orange lights. The sky is a deep blue with some light clouds. The foreground shows a street with some traffic and lower buildings, also partially lit up. The overall scene is a vibrant urban landscape at dusk or night.

TRADE EXPO INDONESIA (TEI) 2022

As an effort to accelerate export recovery during the COVID-19 pandemic, “Strengthening Global Trade for Stronger Recovery” has been chosen as the theme of TEI 2022. This is aligned with the theme for Indonesia’s G20 Presidency. The 37th TEI will perform a hybrid concept of both offline and online exhibitions. It will enable seamless international business and cross-border trade shows by leveraging the opportunities of the digital economy and technologies, and it is hoped that TEI will be part of efforts to revive global trade and revitalize the global economy.
